5 Minute Major was formed with a simple philosophy: If it rocks (and/or rolls) and people will dance to it, we'll play it! Our set lists are rooted in party rock bands like Journey, Bon Jovi, & Pat Benetar, then spiced up with some newer songs, some country, some pop; anything danceable! We are constantly refining our sets to ensure that the music does not get stale! We are a LIVE, 2 guitar, ROCK show! This means that we do NOT use backing tracks, auto tuners, or other "enhancements". What you see is what you get!

5 Minute Major is comprised of talented musicians with many years of performing locally and nationally. We take our high energy, crowd friendly, very danceable show to venues and events all over the area. Get ready for a good time !!
