**Neil Turner**  
**Turn-N-Head Productions**

**24 SEVEN** Events & Marketing, Inc.

It's a big event, special day, or you just need the right DJ to make the party fun... How do you choose the right DJ ?? We can help!

**Experience makes a difference:**

Neil has been playing at wedding receptions, parties, reunions, school dances and more for several years. He knows how to tailor each event to the client's wishes, from dinner music to dance music, announcements, and of course fun! In addition, Neil has experience in both club and private events. Neil does more than spin music, he is constantly coming up with new ideas and fun ways to engage the crowd and make sure everyone is having a great time.

**What type of music & equipment:**

Neil has thousands of songs for every event, ranging from 1950's to today's popular hits. All the audio equipment is well cared for and is top quality.

**What do you get:**

The total cost includes the entire night of DJ service (approximately six hours), dinner music & dance music, from start to finish. It also includes all the lights and a wireless microphone. There are no hidden costs. \*The price does not include gratuity... tipping should be based on a job well done. Call today for pricing and availability.
